

## **AP 7380 RETIREE HEALTH BENEFITS**

### **References:**

Education Code Sections 7000 et seq.

A retired employee or surviving spouse may enroll in the District's health and welfare benefit plans only once pursuant to this procedure. A retired employee or surviving spouse who voluntarily terminates coverage under this policy may be excluded from obtaining coverage again.

The District will contribute the specified premium amount for the retiree's District group medical and dental plan as specified in the relevant collective bargaining agreement. District contributions shall continue until the retiree reaches age 65 or the date of the retiree's death, whichever is earlier.

Refer to the relevant collective bargaining agreement for additional procedural details.
