

START → NELL
wait so
did she leave because of you and Lee?
like
was that the only reason?

BETH
no one really knows
my mom thinks she must've like
had a breakdown
like
gone crazy or something

RAELYNN
maybe she didn't "go" crazy
because she's always been crazy

BETH
she's just intense

RAELYNN
you literally just said she went crazy

BETH
my *mom* said that

NELL
you did like
repeat it though

BETH
well sorry

NELL
I mean
she does seem
I dunno

RAELYNN
she's a Lot

BETH
yeah...
she kind of always has been

beat

NELL
that's funny
my family says stuff like that about me all the time
like my mom says it to my aunt on the phone, she's like
"Nell's just a lot"
"Nell is so dramatic these days"
"Nell, you're too much for me right now"
I dunno like
I think it's just
when people say stuff like that
they always kinda mean the same thing
you know?
like
what they really mean is just
"Nell's a girl"

beat

BETH
whoa

NELL
yeah
I dunno

BETH
we should come back to this idea
I'll put it in the minutes

END

RAELYNN
are you the secretary too?
on top of being president?

BETH
do you wanna take notes?

Raelynn says nothing but communicates a "no"

yeah
so
yeah

*Beth takes some notes
then all of a sudden, Nell has a Major Realization*
